

# “JOHNNIE”

## THE FACTS:

DATE OF BIRTH: Approx 1999  
ARRIVAL AT BH: August 2001

## A LITTLE ABOUT MY HEALTH:

I am told I am pretty healthy, although I have blood in my urine sometimes. I am also terribly sad that all the animals I loved so deeply, have all died and left me behind..

## MY VETERINARIAN:

I am so happy that Dr Jeff Feinman takes care of me – He also looked after my best friend Vancouver, so I know he will take good care of me!

## THINGS I WOULD LIKE YOU TO KNOW ABOUT ME:

My nickname is Johnnie-angel  
I LOVE every body  
I LOVE nothing more than to be cuddled and to lie upside down in your arms where I can be the big baby I really am.  
I am lonely  
I love to be out in the garden  
I LOVE my food and really don't understand why I have to be shut away in the food prep room whilst everyone else is eating. I only like to try to help them eat theirs all up!! Vancouver taught me that.

I am very proud that my friend Sammi and I were chosen by our friend Barbara to be on the cover of her new children's book!
