## THINGS I WOULD LIKE YOU TO KNOW ABOUT ME:

I miss my Mom very much – she died you know and because Gail was her friend she arranged for Diana, King Tut, Mr. Magoo and me to live at BrightHaven.  
I AM the biggest boy and I am absolutely NOT a scared-y cat!  
I was born in the wild and I AM a macho man  
I wonder why I have such a little baby voice.....  
I wish I could come out from under the bed all the time.....  
I LOVE my new house – it is very exciting and there is always something going on that is interesting. There are lots of other animals here.  
I would like to be friends with the dog Bailey, but he doesn't like me he says!  
I adore the gardens here and love to go out and explore with Mr. Magoo.  
Mr. Magoo and King Tut are my best friends and we all live in the under bed city.  
We have all sorts of beds to choose from under there – it is such fun, although some are a bit small for me – I guess I am quite a large man!!  
I don't like the food here very much. Gail says it is what my Mum fed us, but I am not sure about that!
